

Trinity

Holy Trinity, three in one,  
**Hear our prayer.**

Holy Father, you have created all things, and made us in your own image. We thank you for the beauty of your creation, and for your many gifts which feed, nurture and give us pleasure and wonder. Grant us the sensitivity and the willingness to respect and care for all that you have made. We pray for those parts of the world which we in our carelessness have exploited or marred: forests which are now wilderness, grasslands which have turned into deserts, and the continued depletion of the earth's ecosystems. Help those who struggle to survive in such areas. Give strength and courage to them and inspire us all to work to reinvigorate and heal the land and the livelihoods of the all the earth's inhabitants.

Holy Trinity, three in one ...

Christ, Son of the Father, you have redeemed us by your love, given us eternal life and taught us to love others as you love us. Cast your healing hand over all who suffer at this time: the people of India, Brazil and other places who are struggling to cope with the ravages of corona virus; the people of Myanmar and Belarus, who protest their repressive regimes, and the people of Gaza, whose homes are once again reduced to rubble. As you made your home among the outcasts of the world, be with all whose lives are governed by fear, hopelessness and despair.

Holy Trinity, three in one ...

Holy Spirit of God, who breathes life into all, we thank you for your power of renewal, refreshment and love. Send your inspiration on all leaders, those in government, that they may always remember that they are called not to be served, but to serve, and to seek the common good. As this country faces economic and other challenges, may we always remember the most vulnerable in our society, while not forgetting the needy in other, less privileged parts of the world. We pray also for our church, as it faces difficult issues and decisions. Give strength and courage to our Bishops and clergy, and inspire all your faithful people in the mission and outreach of your church.

Holy Trinity, Three in one ...

Holy and blessed Trinity, One in Three and Three in One, bind us together in faith, unity and love, that we may ever strive to do your will on earth as it is done in Heaven until we come at last to your eternal Kingdom.

**Amen**
